

### REMARKS/ARGUMENTS

Claims 1-18 are pending in the application. These claims have been grammatically modified to meet the requirements of U.S. practice. The amendments to claims 1-18 do not add any new matter to the application.

New claims 19-24 have been added to the application. These claims recite the preferred short chain alcohols for use in accordance with claims 4-5 and 15-18. No new matter is added by these new claims as they are entirely supported by the application as originally filed.

It is thus respectfully requested that the amendments to claims 1-18 and new claims 19-24 be entered into the application.

I hereby certify that this correspondence is being deposited with the United States Postal Service with sufficient postage as First Class Mail in an envelope addressed to: Mail Stop Amendment, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on April 7, 2005:
